

# Schedule for Technical Interchange with Industry

March 31st										
Location	0800-0900	0900-0930	0930-1000	1000-1030	1030-1100	1115-1230	1230-1315	1330-1415	1430-1515	1530-1615
Auditorium	Mr. Muller	Mr. Blohm	Dr. Zablocky	Dr. Reago	Mr. Willison	L U N C H	Position, Navigation, and Timing	Information Fusion	Mission Command	Information Fusion
Room 10a							Degraded Visual Environment Mitigation	Networking to Improve Maneuver	Integrated Sensor Architecture	Uninterrupted Communications
Room 10b							Cyber/EW	Cyber/CEMA	Cyber/EW	Cyber/CEMA
Room 1							Radio Frequency Sensors	Operational Energy	Radio Frequency Sensors	Operational Energy
Room 3							Counter- Mine/Counter IED	Electronic Warfare	Counter Sensor/ Sensor Protection	Electronic Warfare
Room 4							Mission Command	Electrical Optical Infrared and Non-imaging Sensors	Autonomy Strategy	Position, Navigation, and Timing
Room 5							Modeling and Simulation	Technology Transfer	C4ISR Prototype, Integration, and Test Facility	Network Enabling Technologies

April 1st								
Location	0800-0810	0815-0900	0915-1000	1015-1100	1115-1230	1230-1315	1330-1415	1430-1515
Auditorium	Mr. Muller	Mission Command	Information Fusion	Converged Command Post	L U N C H	Information Fusion	Position, Navigation, and Timing	Converged Command Post
Room 10a		Networking to Improve Maneuver	Integrated Sensor Architecture	Uninterrupted Communications		Degraded Visual Environment Mitigation	Networking to Improve Maneuver	Uninterrupted Communications
Room 10b		HW/Software Convergence Update	Cyber/CEMA	Cyber/ EW		HW/Software Convergence Update	Cyber/ CEMA	Cyber/EW
Room 1		Operational Energy	Radio Frequency Sensors	Operational Energy		Autonomy Strategy	Radio Frequency Sensors	C4ISR Prototype, Integration, and Test Facility
Room 3		Electronic Warfare	Counter Sensor/ Sensor Protection	Counter-Mine/ Counter IED		Electronic Warfare	Cyber/EW	Counter-Mine/ Counter IED
Room 4		Electro-Optical Infrared and Non-Imaging Sensors	Position, Navigation, and Timing	Electro-Optical Infrared and Non-Imaging Sensors		Mission Command	Electro-Optical Infrared and Non-Imaging Sensors	HW/Software Convergence Update
Room 5		Technical Forensics and Exploitation	Technology Transfer	Network Enabling Technologies		Modeling and Simulation	C4ISR Prototype, Integration, and Test Facility	Technology Transfer
